Spring Ball Is Here!

Men and Lady Dragons Baseball/Softball Opener This Friday

Dragon's Looking Forward to a Good Season.

It is year three for Dragon Baseball/Softball at Halstead High and Coach Gerber Men's Baseball Coach looks to the experience from a team that has many returning players. We look forward to playing our season opener at Nickerson High School at 4:30 Friday. says Gerber.

The Lady Dragons will play at 4:30 at Fun Valley Sports Complex near Nickerson, Friday.

GOOD APPLE AWARDS AT USD 440

Via School News Letter

Every 9 weeks USD 440 recognizes one teacher and classified staff member for their special contributions. They are chosen from nominations evaluated by a selection committee comprised of five community members. The third 9 weeks of the 2005-06 school year, the awards go to **Curtis Vermillion**, teacher and **Geneva Chapple** in the classified category.

Mr. Vermillion teaches social studies at Halstead Middle School and coaches various sports. Curtis was nominated by a student. It was noted that he has positive interaction with students, makes sure we get our work done, and gives extra help to anyone struggling. He really goes beyond normal expectations because of the sports he does for us. It's great that he runs with us in cross country and makes sure we have all of the tools to achieve highly.

Mrs. **Geneva Chapple** was nominated as a "Rare Apple." For 22 years, she has cooked for students and staff by preparing 3,690 lunches and an unknown number of breakfasts. The foods she prepares illustrates her devotion to excellence. In recent years, the food service team has rotated through assignments, and Geneva has especially enjoyed her days serving "the little people" of Bentley Primary School. Her co-workers recognize that she is the backbone of the kitchen, and they use her as a resource by tapping into her years of wonderful experience.

Mrs. Chapple and Mr. Vermillion will have their names engraved on plaques displayed in the high school foyer by the District Office.

The Halstead eNews wants to thank both of these outstanding individuals!

Zoglman Party and Events
139 Main Street

Candi Zoglman started her ambitions by running a reception hall in Colwich from 2000 to 2002. She then took time off to study all aspects of what was involved from start to finish in a successful wedding. She then took the many phases and developed her business to cater to all of those needs. "I dissected everything that was involved in a wedding, like the initial consulting to cake decorating to learning the proper ways to tie ribbons. I then looked at how I could save couples money by providing a complete package, turn-key." Says Candi. "I wrote my own detailed wedding planner for my guide to cover all the items in an economical wedding for a those budget minded."

Candi says she has been busy with running her business out of her home since 2002 and that her move to Main Street in Halstead was her next step to grow her business. "Halstead is an easy place to have a business. It is well centered among Newton, Hutchinson, Wichita and also many of the smaller communities that form a great customer base. We really enjoy the Halstead-Bentley School district. Our children are very challenged by the non-athletic extracurricular programs the school has, our kids really do like the teachers! My children started school here and feel at home here, we like that feeling."

Who should consider Zoglman Party and Events? Anyone that needs any kind of baked goods: sheet cakes, wedding cakes etc. for special occasions. Weddings, graduations, birthday parties, anniversaries, corporate parties, we can do it all. "We can provide just the baked goods or I can provide the event planning too... just call me and I will help.

Our favorite events for young girls is a dress up tea party! We provide all of the dress and fashion for the girls to have that memorial tea party. We provide the tea sets, and can provide the party at our facility, saving mom the hassle of baking and clean up. We'll even mail out the invitations!" Says Candi.

Stop by and see Candi's shop at 139 Main Street. If you're planning a wedding our initial consultation is free, just call for an appointment. 316-835-2966 or 888-900-2966

The Halstead Chamber and other community patrons participate in the Ribbon Cutting.
